Mr. Harold Weisberg
Route 12
Frederick, Maryland

Dear Harold:

Attached is a brief memo which relies very heavily on the work of Gary Shaw and the staff of Newsday, and on CIA documents 632-796, CSCI-3/776, 742, and CSDS-3/655,207.

If you have any information or documents about Souetre/Mertz which would supplement our thin gruel, would you be kind enough to send it along. As you will note, we have nothing on their activities (if any) in Texas on November 22-23, 1963.

Also, do you have any suggestions as to where we might look for assistance on this lead? It may be that we are on the right tract at last.

Warm regards,

Bernard Fensterwald, Jr.
